

## 2017 TSC High School Summer School Details & Enrollment Form

The Tippecanoe School Corporation will be offering summer school opportunities during the summer months of 2017. TSC is excited to offer online versions of US Government, Health, U.S. History, Economics and Geography & History of the World. These courses are completely held online with the final exam being held at the school building.

- Session 1: June 5th through June 23rd from 7:30 a.m. - 12:30 p.m.
- Session 2: June 26th through July 17th from 7:30 a.m. - 12:30 p.m. (with the exception of July 4th, as a day off)
- Virtual Classes: June 5th through July 17th (students may take one virtual course at the same time as a traditional classroom course)
- If a student wishes to enroll in Cosmetology, he/she must see his/her counselor for arrangements.
- Transportation to summer school is the student's responsibility.
- The Tippecanoe School Corporation Rights, Rules and Responsibilities are in effect throughout the sessions.
- The summer school attendance policy requires a student to be in class 70 of the 75 hours. Therefore, a student may miss one day of a three week session. In addition to the one day (five hours) a student may miss one additional day for an activity, if the activity relates to the summer school class. Second day absences must have prior approval from the building principal.
